NOT So!
See Material Safety Data Sheet

DPM 5391

DPM 5302

#906T200 Cleaner, Water Base is not applicable.

2. (78)

On the Fluid Resistant Primer and the Polyurethane Coating, please furnish code numbers on which you require this information.

The OSHA Material Safety Data Sheets are being mailed you direct from our headquarters in DesPlaines, Illinois.

If we can be of further assistance, please let us know.

Yours very truly,

S J Ward
